to support the implementation of their child's IEP or IFSP.

- (9) Physical therapy means services provided by a qualified physical therapist.
 - (10) Psychological services includes—
- (i) Administering psychological and educational tests, and other assessment procedures;
 - (ii) Interpreting assessment results;
- (iii) Obtaining, integrating, and interpreting information about child behavior and conditions relating to learning:
- (iv) Consulting with other staff members in planning school programs to meet the special educational needs of children as indicated by psychological tests, interviews, direct observation, and behavioral evaluations;
- (v) Planning and managing a program of psychological services, including psychological counseling for children and parents; and
- (vi) Assisting in developing positive behavioral intervention strategies.
 - (11) Recreation includes—
 - (i) Assessment of leisure function;
 - (ii) Therapeutic recreation services;
- (iii) Recreation programs in schools and community agencies; and
 - (iv) Leisure education.
- (12) Rehabilitation counseling services means services provided by qualified personnel in individual or group sessions that focus specifically on career development, employment preparation, achieving independence, and integration in the workplace and community of a student with a disability. The term also includes vocational rehabilitation services provided to a student with a disability by vocational rehabilitation programs funded under the Rehabilitation Act of 1973, as amended, 29 U.S.C. 701 et seq.
- (13) School health services and school nurse services means health services that are designed to enable a child with a disability to receive FAPE as described in the child's IEP. School nurse services are services provided by a qualified school nurse. School health services are services that may be provided by either a qualified school nurse or other qualified person.
- (14) Social work services in schools includes—

- (i) Preparing a social or developmental history on a child with a disability;
- (ii) Group and individual counseling with the child and family;
- (iii) Working in partnership with parents and others on those problems in a child's living situation (home, school, and community) that affect the child's adjustment in school;
- (iv) Mobilizing school and community resources to enable the child to learn as effectively as possible in his or her educational program; and
- (v) Assisting in developing positive behavioral intervention strategies.
- (15) Speech-language pathology services includes—
- $\begin{array}{ccc} \hbox{(i)} & \hbox{Identification} & \hbox{of children} & \hbox{with} \\ \hbox{speech or language impairments;} \end{array}$
- (ii) Diagnosis and appraisal of specific speech or language impairments;
- (iii) Referral for medical or other professional attention necessary for the habilitation of speech or language impairments;
- (iv) Provision of speech and language services for the habilitation or prevention of communicative impairments;
- (v) Counseling and guidance of parents, children, and teachers regarding speech and language impairments.
 - (16) Transportation includes—
- (i) Travel to and from school and between schools;
- $\left(ii\right)$ Travel in and around school buildings; and
- (iii) Specialized equipment (such as special or adapted buses, lifts, and ramps), if required to provide special transportation for a child with a disability.

(Authority: 20 U.S.C. 1401(26))

§ 300.35 Scientifically based research.

Scientifically based research has the meaning given the term in section 9101(37) of the ESEA.

(Authority: 20 U.S.C. 1411(e)(2)(C)(xi))

§ 300.36 Secondary school.

Secondary school means a nonprofit institutional day or residential school, including a public secondary charter school that provides secondary education, as determined under State law,
